Subject: AMMI - response letter coming

Wayne,

Lynn Kimball just called to verbally let us know they will be choosing option A. He apologized for not getting the letter in to us, he has been out. He realizes the 15 day deadline has passed and appreciated our patience and willingness to work with them. He expects to have a letter in to us by tomorrow (6/21). I told him after receiving the letter we would then work out the details for the site work and include the BLM in our planning.
